# OUR PARTNERS

# WHAT OUR **ALUMNI** SAY

“The application process (for my current job) was very extensive and selective. Fortunately, being Swiss educated and having worked in various hospitality roles during my studies with IHTTI, gave me an upper hand. Speaking different languages was also a plus.”

**PHILIP SHUM (JAMAICA)**

Royal Genie, Royal Caribbean Cruise Ship

---

“(The highlight of my time at IHTTI) was designing a hotel for our final project. It was about ‘fusing’ all our hospitality and design knowledge to create something unique. As in a real-life situation at a design agency, we received a client brief specifying the target audience, number of floors, rooms and so on. Within that, we were free to develop our ideas as we wished.”

**PASCALE MÜLLER (SWITZERLAND/SWEDEN)**

Junior Designer at atelier zürich, Zürich

---

“The design courses I took at IHTTI had a very big impact on allowing me to excel in my Management-in-Training program. In fact my experience during pre-opening was very similar to our Final Year Integrated Project in terms of the technical aspects.”

**JONATHAN KEH (CANADA)**

Assistant Manager for Rooms Operations, The Sanya EDITION, Hong Kong
